

ISD 622 Transportation Survey

Dear ISD 622 Family,

The purpose of this survey is to gather information about your plans for future attendance at EMID schools. In light of ISD 622's decision to withdraw from EMID beginning with the 2009-2010 school year, we are exploring transportation options for our families. We understand that your responses are a "best guess" of your plans and in no way constitute a commitment. Your candid responses are necessary to help us plan for and ensure a strong future for EMID schools. Please return your completed survey in the envelope provided by Monday, October 20 or you may mail it your own envelope to Shari Thompson, East Metro Integration District #6067, 30 East County Road B, Maplewood, MN 55117. A box for survey return will also be available in the school office during conferences. Thank you for your time.
