- ✓ Continue to build relationships across regions and across race. Our day of leadership and action will bring people together from across the metro to talk about what we can do together to bring God's kingdom ever closer!
- ✓ Continue Moving the Work Forward! From 11 to 1, we will engage legislative leaders from both parties in a dialogue about how we might work together to create a path that leads to health, racial equity, opportunity, and shared growth. We will invite Senate Majority Leader Amy Koch, House Speaker Kurt Zellers, Senate Minority Leader Terry Bonoff, and House Minority Leader Paul Thissen to join us for this important dialogue.
- ✓ Break bread together and learn from each other: Following the action we'll eat lunch, debrief the dialogue we had with legislative leaders, and talk about the work ahead of us as we continue our campaign to gather 10,000 Voices for One Minnesota!
