

COMMUNITY COUNCIL MEETING - TABLE FOUR
FEBRUARY 4, 2012

TABLE FOUR

WHAT'S MISSING

- EMID Leadership should facilitate collaboration efforts that benefit kids across our districts – efficiency
- Share resources – children, money, programs. Don't limit to just integration pot of \$\$.
- Member districts strengthened commitment to cultural competence professional development.
- Increased parent involvement;
 - Support
 - Non-judgmental
 - Purposeful
- Wrap around services. Access expanded resources (media centers, technology, facilities)
- Look at existing successful models
- Students awareness of various challenges of their peers
 - Embed into instruction/content

What is working well;

- Word of mouth referrals
- Shared AVID services
- Transportation (a must)
- Professional development
- Teacher cadet program
- Youth Executive Board
- Professional development
- Schools – year round calendar, intersession
- Synergy (student programming)
- Promoting multiple perspectives
- After school programs
- Concordia language village
- AVID

TABLE FOUR

What is NOT working well;

- Communication
- Broad level system missing
- Student feedback
- After school activity bus
- Member district commitment/encouragement to participate in professional development and other programs.
